### **Flight: (approx) 990 CHF**

### **Hotel/Food: 1,285 CHF**

This includes accommodation in double rooms for 14 days, transportation (We have a private driver and van for ourselves), excursions, water, and lunch\*\* on working days. The hotels are managed by Aitkenspence Ltd., who gives us a discount on accommodation during the volunteer program. [www.aitkenspence.lk](http://www.aitkenspence.lk)

\*\* 4 lunches are not included (during excursion days). On these days, participants will be required to pay for their own lunch.

### **Spending money: 200 – 300 CHF**

During past programs, volunteers have spent very little money during the working holiday. 200-300 CHF is sufficient to cover the normal extra costs like alcoholic drinks, tips and souvenirs.
